

NDI CUSTOMER FINANCE

AMERICOR CAPITAL, INC.

Americor Capital, Inc. is pleased to be NDI's preferred financing partner. Our flexible financing plans will help you acquire a superior office environment in a cost effective manner. We value your business and we will make every effort to work seamlessly with your office furniture dealer.

Americor has competitive lease alternatives for small, mid-size and large businesses. Our transaction size ranges from five thousand to five million dollars.

Our funding strategy enables us to achieve very high approval rates. Our "hands on" approach is focused on meeting and exceeding your needs, in both a timely and responsive manner.

NDI Financing Solutions

- Standard lease monthly terms range from 24 to 60 months
- Product offerings include Capital, Operating and Fair Market Value leases
- Solutions for commercial businesses, Federal & Municipal Governments
- Ability to bundle project services, such as design, delivery & installation
- We also finance office products, including phones, computers and software
- Consultative approach with our customers and business partners

Benefits For Your Business

- No cash outlay -- Americor may be able to provide dealer deposit
- Conserve capital and better utilization of resources
- Preserve existing lines of credit to manage your business
- Fixed monthly payments over longer term are more affordable
- Help overcome capital or operating budget issues
- One stop shopping for all products and services
- Very high approval rates
